A fundraiser that won't cost you anything!

Buy gift cards for retailers where you already shop and the church earns money. This is money that you would spend anyway.

Also, it is a way to buy gift cards for others with no worries that they have been compromised in a store display.

There are about 600 participating businesses - this order form contains less than 100 A full list is posted in Libby Hall and on our website.

Cards will be available within a week of the order being placed.

Please make checks payable to: Federated Community Church of Hampden
